“Dusty, a white, blue eyed Siberian Husky- found a redbone hound that had been dumped on the side of the road, in bad shape. Dusty lead him home to us and we had another forever friend. Redd & Dusty- brothers from another mother. Dusty had a GPS collar & traveled to the vet clinic of Dr.Wendy Frazer, Little Cahaba Animal Hospital everyday, he loved Dr.Wendy!
Dusty was given the title of Office Manager.
Little sister Kitty loved her big brothers!
We will meet them all at the Rainbow Bridge. ❤️
