Who's the best dog in the whole world? Eli's the best dog in the whole wide world. I'm so thankful for the ten years I had the honor of being Eli's mom. We loved him to max capacity ever single day. He brought me, his sister and brother so much joy. He truly was the best dog. Eli had a personality like no other. He knew he was loved and he love for us to beg for his attention. He always played hard to get, to only give in and wag his booty all the to us for some rubs and love.

We are so thankful for the wonderful memories of Eli. He touch each us in his own special way and our lives will never be the same without him.

Eli I miss you horribly and can't wait to see you again one day. Thank you for the time you shared with us. I hope we honored you the way you deserved and gave you the very best life! Love you forever and always!! Mommie
