“ tribute to our little man, sunlight will stream through the window pain onto a spot on the floor , then I remember its where you use to lie, but now you are no more, our feet walk down a hall of carpet and muted echoes sound..then I remember its where your paws would joyously abound. a voice is heard on the road and up beyond the hill, then I remember it cant be yours because your voice is still, but ill take that vacant spot of floor and empty muted hall. and lay them with the absent voice and unused leash along the wall, ill wrap these treasured memories in a blanket of my little man and keep them till we meet above. love and miss you my sweet fur baby.
