"Flash Henson - age 16

From the day you wandered into my life 14 years ago, I knew you were special. Once I saw your beautiful blue eyes I was totally in love. I quickly learned you were the smartest, most lovable boy and you gave the best hugs and snuggles. I've never seen a more outgoing and relaxed personality. Because of your love of people and forgiving soul you were a trooper through all the medicines and vet visits you had to endure throughout your life. When I had to say goodbye my heart broke and you took a piece of it with you. I miss you every day. I will never forget you and the joy you gave to me. Rest in peace sweet boy. (Your Mom)"
