“ Our sweet Foxy, you left our hearts broken but you left us with some of the most precious memories. Your brother is lost without you! I'm lost! Who will I call Moo Moo? You gave more love to us than you know. We miss you girl!

“ Last night our Foxy took her place next to her best friend on the mantle. Lots of tears shed but praying it brings closure for us all.

“ *Sweet Foxy.. ill never forget the day I brought you home. All the other pups were just a playing and you hid under a camper shell. I crawled under it and got you. I knew you were the one I wanted. Then you came home and fell in love with daddy. Then when brother came along you loved him as much as the rest of us. You were the best pup. I love you so much and will miss you terribly.*
