“ *Garfield was so easy going. Nothing the kids or other dogs would do could change his happy go lucky manner. it's been a week and I miss his head on my knee waiting for a treat or just to be petted.* ”

“ *I miss you everyday my friend. it's been a week now and I am still not used to you being here. I look for you all the time to be at the window or at the gate when I get home.
I'm sorry I wasn't there you last night here, I regret every day letting you stay the night at the animal clinic.*
