“ *Oh my GeGe, mommy still misses you everyday. i can't believe it's been almost 9 months since you have been gone. Somedays are better than others but none are the same without you. Mommy loves you so so much.*

“ *My sweet girl.. Oh how I miss you. Your buddy from up the street has been coming by I think he is looking for you... I've been going over in my head about getting a new baby... I have found one I like but I don't want him to take your place in my heart. I'll be strong as much as I can but I would so rather have you. I think he will be named Tito. He is the smallest one out of this litter.. I hope you like him when I bring him home. Keep watch over is my sweet girl. And know there isn't a day that goes by that I don't think of you.*

“ *Tomorrow will be 2 weeks you have been gone... tomorrow will probably not be a good day for me. I can still see you running around being your silly self everyday when I walk into our home. I still see them big brown eyes looking at me so sweetly. Your sister sheba is trying really hard to help mommy get through this, she gives me kisses like you used to, she stays right up under me as you did and she plays with mommy as you did... I feel like you let her know to take care of me because you knew it was time.... I'm grateful for sheba and her taking up with me as she has, but I wish I still had you. Mommy loves you my sweet angel!*

“ *Today is just not a good day. Mommy is missing you so much... I wish there was some way I could just bring you back, but I know I can't and I know you are in a better place.. I have you tattooed on my arm so that I can see it everyday I was even able to use your paw print.... I have your hair in my wallet so that it is with me everyday, hoping to find some peace knowing I have you with me but it just isn't the same. I love you my sweet baby.*

“ Thank you to whom ever fixed my baby's name on here!

*Gege mommy misses you so much... I miss how when I walked in the door from work you would run around in circles, I miss you sitting beside me in my chair as I ate dinner, I miss you cuddling up to me and giving me all those sweet kisses. I miss being able to give you a bath and then seeing you run through the house like a rocket... I even miss that annoying bark you would do all the time... I miss everything about you...*
