“ From the moment Baldwin walked by your kennel, she knew that you would be the perfect fit for her Mama. And of course she was right.

You have comforted me when I needed it. You have protected me when I needed it. And you gave me hours and hours of unconditional love.

Walker & I are going to miss all your diva ways.

AND Our Sunday night family cuddles.

And just everything about you.

You, my Grace, were truly a Gift from God. And I thank HIM for sending you to help rescue me.

Now you can chase all those reflections only you seemed to see while we are left to reflect on one hell of a DAMN GOOD DAWG. 🐶

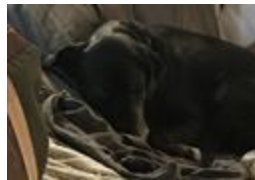

“Take my eyes take my heart I need them no more.

If never again they fall upon the one I so adore. ...

She broke my heart

My Grace is gone.”
