“ *Gracie was such an awesome dog for our family. God knew just the right one for us! When we brought her home she was only 6 weeks old and our first son was 10mo. Old. She was the best Weimaraner anyone could ask for. By the time our 2nd son was born she was 4. Every time I brought her home a new bed, Cade had to share it with her. The tennis balls..... oh she LOVED THEM!!!! Every time Tim cut the grass she knew just where to put the ball so he had to get off and throw for her. She was just so special, she was perfect for us. After 12 years with a dog that thinks she's a person and we think she's a part of us, how do you just go get another???? We miss her so badly! We will forever love you Gracie Gray!!!!*
