"My sweet Gracie Girl has crossed the Rainbow Bridge. She let me know everyday that I belonged to her rather than the other way around. She was 21 years old and cancer got the best of her. I'll miss her everyday for the rest of my life.....Good-bye Gracie.....I love you more than you know...." - Donna Manuel

*Gracie Manuel, age 21 years crossed the Rainbow Bridge. She was a wonderful companion and honestly thought I belonged to her. She always gave the death stare to all of our other pets when they came to me for attention. I'll always love and miss her.*
