

Hachi Barksdale

July 21, 2023

"Hachi came to live with us as a senior dog. She fit in with Gracie, Cooper and Shep immediately! We had her almost a year and a half before hemangiosarcoma of the spleen took her from us. Her death has left a huge void in our hearts and our home. She was one of the sweetest and most gentle dogs we have ever had. Rest In Peace, sweet girl. We will meet again in Heaven." - Alva Barksdale
