"She was the best dog anyone could ask for. So smart, when I would pet sit, she showed me the way Daddy would take her for walk her. I was lost but she got me home just fine. And she was the best ball catcher I ever played with. I loved it when she tried to sit on my lap, only half of her made it. When I found this little bottle of bubbles in my purse, I blew some and she tried popping them and barking at them too. I could write a book because there are so many stories to tell about her 16 years on earth! We will all miss you!" - Sandy McCormick

"Hannah Banana as I called her. Slobber and all, she loved to play catch. She wore me out! She was a big part of the entire family. Lots of Doggie Love there. Auntie Di and Uncle Jon!!!" - Diane McCullough

"Ohhh Hannah, how you are missed! Our dogs are a gift from God. They become a part of our family. The unconditional love they bless us with is seen in their eyes, in the tail wags, in the toy playing and ball chasing. Hannah, you were so good at ALL of this! You loved and were loved by so many. I loved the way you kept me warm when we had slumber parties. In the middle of the night, you would sneak into the couch and lay on my legs. You knew they were cold and you knew how to warm them. Hannah, you knew that I couldn't walk you as far as your Mommy and Daddy, but you loved the walks anyway. You will always be in our hearts Hannah. Thank you for all of the memories." -

“ *We are so glad to have been able to meet Hannah and care for her in the last part of her long life. One of the best parts of our job is observing the human -animal bond between pets and their owners. We loved the connection and the stories about Hannah. She obviously was well-loved. We will miss her.*

“ *Here is a prayer for Hannah and all the pets. We miss sweet Hannah!*
A Pet Blessing Prayer by Friar Jack Wintz, OFM Blessed are you, Lord God, maker of all living creatures. On the fifth and sixth days of creation, you called forth fish in the sea. birds in the air and animals on the land. You inspired Saint Francis to call all animals his brothers and sisters. We ask you to bless Hannah with the power of your love. We pray that Hannah lived in accordance with your plan. We will always praise You for Your beauty in creation. Blessed are you, Lord our God, in all your creatures! Amen.

“ Great to see all the pictures of Hannah! She was the smartest, most adorable ball of energy ever. I know you miss her so much, but I'm glad that you had her with you for 16 wonderful years. She really was very special and will always be remembered with love.
