

Harley Redman

January 27, 2025

I've had Harley since I was 14 and sadly she passed when I was 21 she watched me grow up and get married. Harley used to always wait on me to get home from work and as devastated as I am that she is no longer here I'm glad she got cremated so in some sense she can still be there waiting on me to get home. I hope you have all the toys you could ever want in dog heaven I love you Harley.
