

## Harry Williams

July 13, 2024

"Harry was our sweet friend for many years. He loved being with us and our other fur babies. Harry was always ready for a ride in the truck. Harry loved to get pup cups at Sonic and visit our church prayer garden. During football season, he spent every Saturday in the man cave for hours of games. He always greeted me in the afternoons after work. He was a great little guy and I miss him so much. I know Harry is at the bridge now with Bella, Sarah, Lizzy, and all the others. Love you Little Man." - Julius Williams
