“*Hooper blessed the Parsons home for 14 years. He was born there at the Aspen Road home. He was part of his mother, Maggi's last litter. He was a constant companion to his difficult Wire Fox Terrier sister, Mz. Lossie. He was a great sport over the years as the grandchildren dressed him in head scarves and sang "Feed the Birds" from Mary Poppins. Hoop you are missed but we know there were a host of buddies and family to greet you at The Rainbow Bridge.*
