

Hughie Shepard/Collins

March 15, 2024

"Hughie was always so sweet and playful with his brothers. When we were first introducing him and his brother to our older rat Norbert, Hughie would always try to be a little peace maker and bring everyone together. Whenever it was play time, he would always chase his brothers all over the room and was always full of so much joy and energy. We love and miss you everyday Hughie" - Raphael Shepard
