“ It's been 2 years my beautiful girl. I'm so glad you got to experience so many great things in life and was so happy. I still miss you bad and it hurts. Your momma has to remind me that you are happy and chasing all the squirrels you want. I want to see you so bad. I love you Izzy girl.

“ Sweet girl, it has been 1 year today that you went to be with Jesus. I think of you so much girl. What could I have done to keep you with me for a little longer. I still can't stop crying. I hope Jesus is still giving treats and presents because you are good little girl. I love you.

You are the only person that has ever held her and she fell fast asleep in your arms. She loved you. I'm glad you both got to spend time together.

You know, you did not pick her out of the litter. She picked you! She knew there would be no one else on this planet better suited to be her parents.
