

Izzy Ard

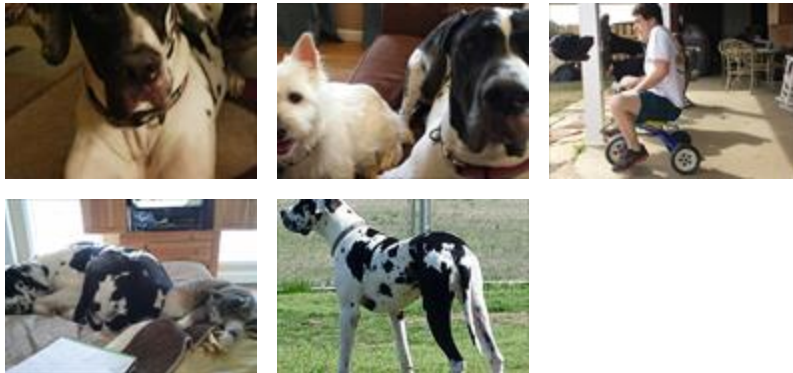

November 13, 2011 - January 19, 2025

Izzy was born November 13, 2011 and passed away in mine and her dad's arms on January 19, 2025. Izzy was 13 years old which translates to 100 human years, quite an accomplishment for a Great Dane. Izzy never met a stranger, everyone instantly loved her. She was always a good girl who loved car rides, chewing on bones, opening plastic bottles, chasing and popping soccer balls, wrestling, getting face and ear rubs, nosing cats, a good blanket, and playing with her beloved brother Murray. She especially loved her dad who she would fuss at if he didn't immediately love on her when he got home. Izzy filled our home with her love and silly attitude. Our house now feels so empty, she is greatly missed. We are thankful for the time we had with her.
