My handsome boy lived an adventure filled life with me for 14 yrs. He loved to ride on or in anything that moved, especially the car and the kayak!! He devoured popcorn, watermelon, strawberries, and his Fav ice cream. For sure a mamas boy but shared kisses and arroos with his all his humans. He wasn't just a dog, he was my fourth child. He had Bdays, Easter baskets, Christmas gifts, a stocking. Our spunky loud ball of Fun. Life will going forward will be a lot less happy/fun from here on out. I love u and miss U so much my Buddy boy. I will see U soon. Forever my Soul Dog.
