“ Jake was a small Yorkie, 8" long, 10" tall. He weighed 3lbs. and was 18yrs.old. He was a rescue dog, but I think we were the ones rescued. He made us laugh and he has made us shed tears of love. I know when he crossed the rainbow bridge, he saw his friends Abby and Buster. I will never love another animal as much as I loved you. You will be greatly missed.....We love you Jake Momma and Daddyman
