

## Jasmine McCurdy

March 26, 2026

Hi Friend,

I'm Jasmine! My life has been amazing. Meeting my human, Marie, in July 2010 was by divine connection, but that's a story for another time. She quickly became my Mom. I have been blessed to share my life with her, along with my Brother and littermate, Smudge. He's the best Big Brother ever. I've enjoyed 16 years of car rides, trips to the dog park, running through the grass, sunbathing, dressing up, taking glamour shots, getting kisses, snuggles, jumping on the bed, giving drive-by face licks, Nana's snacks, visits to Dr. Khan, getting all the neighborhood gossip while sniffing the grass, and enjoying a good meal that might have accidentally fallen from Mom's plate.

My vision and hearing decided to go to The Rainbow Bridge before me, but Mom made sure I stayed as independent as possible. If you know Mom, you know her mantra is Be Great! Thank goodness for Smudge. He literally became my seeing-eye companion, letting me follow his every step each day. I crossed over The Rainbow Bridge on March 26, 2026, at 10:46 am, and I feel so much better now. I'll hang around here with my new companions until Mom and Smudge come for me.

Friend, if you see my Momma or my Brother Smudge, give them a hug or a tender word of encouragement. They are taking my transition pretty hard. Tell

them to keep being adventurous and explore the world together. Help them remember the good times and how much they mean to me. Well...Jasmine Marie McCurdy signing out to find the good snacks beyond The Rainbow Bridge.

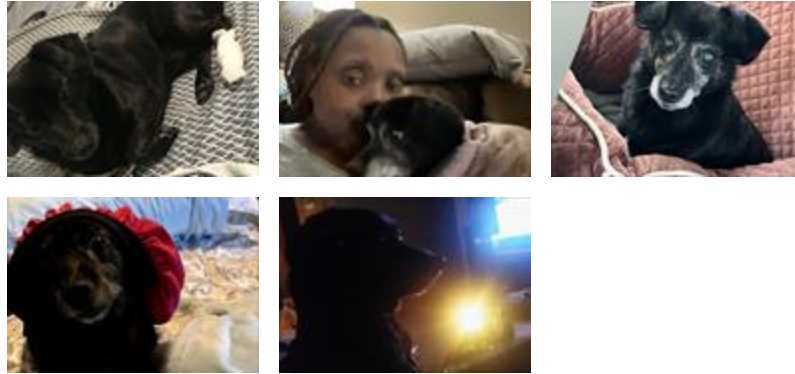

Love and Light,

Jasmine
