“ I'm gonna miss you little guy, my favorite time of day was when I would come home from work and say " where's my Jay bird" . You was a great dog.

“ To my sweet little man. Mommy misses you so much. I can still feel your tiny energy throughout the house. The other day I dreamed of you and it confirmed to me that you are in a better place. It's been hard but I didn't want you to suffer. 😊 We love you always.
