“ On March 24th, 2022 we had to say goodbye to our beloved Jimi...AKA....
"Jshim Jshim" "Jimi Jam" "B-Bop" "Tippy Toes" "Jiml Jam"
"Jshim Jshim the fling flang man" "Momma's Boy" and I cannot leave out.
" FLING FLING"!! 😬❤️
There is probably a coupmore, I am sure, but can't think of more right now.

Jimi was loved by many...but I think it's safe to say no one loved him more than his Momma. 😊
Isn't it always that way? Your Momma always loves you the most.
😊

Jimi was there and helped me through heartbreaks of all sorts, from people to jobs... and he did it all with undivided love and loyalty and now, with not having Jimi here anymore, has made me realize how loyal and dedicated my Jshim Jshim really was..😭

Jimi was always there and saw my children transform from little boys and little girl to amazing young adults. Jimi. James was there for them as much as he was for me at one time, . He saw it all and heard it all. Wonder what he would've told his Momma if he could have talked? 😊😭

Jimi was a very good boy, but he also could be a lil stinker at times.. lol
If Jimi didn't want to come when you were calling him, Jimi didn't come!
He was very good at ignoring you as if he couldn't hear, BUT now, let him hear you opening a cheese wrapper, Oh yeah, Jimi could hear that and he would come running! 😊❤️

I never realized that losing Jimi would cause this much pain.
I knew it would be very hard when that day came, but this pain HURTS my soul... 😭

Jimi was so much part of my family for a very long time. Jimi Jam was always with me. If it were to be at home or traveling visiting family and friends, he was there too, with me.(that is, him and his sister Ravenna). Jimi has always been by Ravenna's side her whole life. I wonder what she thinks now that he's gone??? 🤔😭

****Jimi,*

Everyday tor 17 years with you, made it seem as though you. would be here forever, . but no, it doesn't work that way, unfortunately... 😞

I miss you you so much Fling Fling. I really mlss you at the door greeting me barking with your tail wagging when I get home. I miss looking out for you underneath my feet when I'm doing things around the house. I miss our snuggles when you would bury under the covers. and fall asleep. I was always amazed how you could stay under there for as long as you would and still be able to breathe. I miss seeing you do your front leg hand stands while going potty.

AND I miss sharing my pizza with you. You loved you some pizza crust and pepperoni. Jimi Jam.. 🍕🍕

Heck, I even miss your high pitched, ear piercing bark.. I would love to hear that again!

I would do anything to have more years with you. ❤️🧠100😊

Jimi, I am forever grateful that we adopted you into our family and that we got to love you for as long as we did.

I am also forever grateful for your dedication, loyalty and love towards your family.

Momma loves you Jim Jim and will see you one day.. 😊❤️100

“ Jimi,

*"I held you tight in my arms
and whispered "Thank you...thank you for
being the greatest part of my life".*

I felt your last breath,

I watched life fade from your eyes.

*I held your limp body
and rested my head on your chest, hoping to feel your heartbeat.*

This is one of the greatest pains I suffered, but....

*This isn't goodbye,
this is see you later...*

*I agree Momma, Jimi was a good little guy.. He was my lil man..
With his daily medications, special diet, needing help up and down the
steps, pee pads, oh and can't forget his bad breath, 😞
I would do all of that all over again, just to have him back with me. If
dogs have a sense of what's going on, I hope he felt that it was his time
and that I did the right thing by him. 😭*

Jim Jim was my Fling Flang Man, and I sure do miss him a bunch! ❤️

Jimi, Momma misses you something terrible, but you are pain free now, frolicking and running in Heaven with your brothers Lucas, Issac, and Cappy hopefully waiting on me/us.

I miss you at the door barking with your tail wagging when I get home, I miss looking out for you underneath my feet when I'm walking trying to get things done, I miss our snuggles when you would bury under the covers. and fall asleep. I was always amazed that you could stay under there for as long as you would and still be able to breathe. I miss seeing you do your front leg hand stands while going potty.

AND I miss sharing my pizza with you. You loved you some pizza crust..

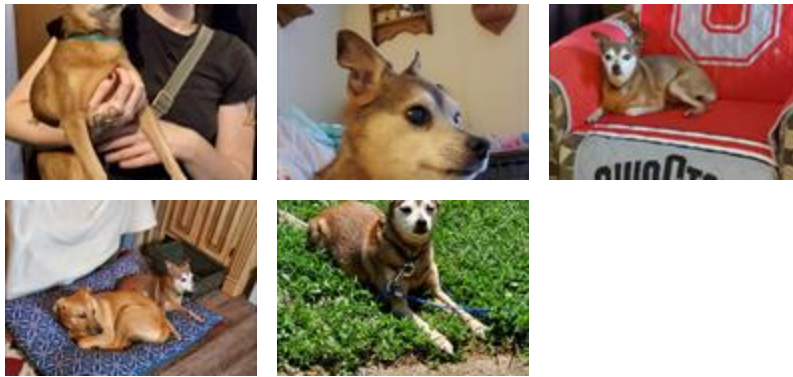

Heck I even miss your high pitched ear piercing bark!

I would give anything to have all of that back just to have more years with you.

*Jimi, I am forever grateful that we came and got you that day and got to love you for as long as we did.
I am also forever grateful for your dedication, spirit, and love towards me.*

Momma loves you and WILL see you someday... keep an eye out for me...❤️

*Jimi,
In life I LOVED you dearly
In death I love you still
I'm my HEART you HOLD a space
that NOTHING could EVER fill.
It BROKE my heart to lose you but you didn't go ALONE
See, PART of me went with you!
Rest In Peace, Momma's lil man. 🙏❤️*
