“*Kahta, your name was misspelled, but that's ok. I miss you very much since you went to dog heaven on June 20th, but I know you are not suffering anymore. Think of you all the time and having you around. The house is empty now. You had 8 great years in this house...I was hoping you would make it to your 12th birthday on July 4th, but you needed to rest. Loved you very much, dear Kahta.*
