“ We lost our dear sweet son Kam to cancer on March 2nd 2019. He was by far the most perfect son that anyone could have ever met! Kam was a lover ,hugger, and the best snuggle bunny ever! He was the perfect son! Never got in trouble for anything! He will forever be in our hearts and will be truly truly missed. Have fun playing in heaven son! We love you and miss you terribly! Until we meet again.....
