“ I’ve always called you, Micer lol. You were given to me as a gift when you were a small, tiny, cute, furry kitten! You had the biggest, bright blue eyes! Years later though you grew attached to Sonya and I’m grateful for that because she took very good care of you! I’m always and forever grateful to her for taking you in and loving you and taking care of you! I love and miss you, Micer! Rest In Peace!

“ I’ll never forget you! You were my very first cat and taught me how to love animals. I hope you’re enjoying all the cheese popcorn and ice cream in kitty heaven ❤️

“ *Kitty you were with us for over 21 years and with me in Birmingham for almost 8. You were my buddy, confidant and friend. Thank you for being so loving. I miss you more than words can say. ❤️*
