WE

“ Nothing anyone can do or say can take away the pain of losing one of our children. No one knows what to do or say to help the pain of that person's family member, but please know that we do care, and we do feel their pain. Lady, you will be missed by your mommy and many others who knew you. We will all miss you and remember how happy you made your mommy. All dogs go to heaven.....

Lady was a wonderful friend to all who knew her. She was much loved and will be missed. So very sorry for her family who will miss her the most.

“ Lady was rescued by my Mom. She does this a lot. Lady was a sweet, kind, loving girl. She protected her home, her animal family, and my Mom from things that came through the dog door and all the comings and goings of her homestead. She loved to ride in the car with my Mom and Ace. She became wise in her old age and through her experiences in life. She was a lady indeed, and she portrayed that through her dignity and grace. Our sweet, loyal, loving companions make us better people. They love their caretakers unconditionally.

Thank you God for giving my Mom the opportunity to be Lady's Mom, and for giving me the privilege of knowing Lady. Memories of Laa Laa will be a happy, peaceful place in my heart.
