“ Sweet Ladybug was such a joy to be around! I'm so happy for all of our visits together throughout the years. To all of Ladybug's family members - I'm so sorry for your loss. Ladybug had such an incredible, loving group surrounding her, and I know you will all miss her terribly. I'm so glad Buggy got to be part of such an awesome family, where she fit right in and brought so much joy to everyone around her. I know you have many wonderful memories together over the past 16 years. Thinking of you all. ❤️❤️❤️

“*Ladybug came to us in 2000. She was a year old and named Nanna. Our Chow mixes welcomed her to their bowls. We new she would be ours. Ladybug's new life, family and friends called for a new name.*

Buggy was one of God's angels. She was a dear sweet soul. Confident. Never cross. Always loving everyone. Ladybug is missed but no longer sick. We believe we'll see her again soon. 🐕🌈☀️
