I will never forget you my precious Leia. I will miss your sweet spunky personality, the way you used to chase the laser light and nudge my hand when I was not paying attention to you lol. I will even miss you running from me outside when I would try to bring you inside because you wasn't ready to come in yet. You were a very loyal and **AWSOME** dog and my fur baby . I will love you always and I can't wait to see you in heaven one day.
