

## Lexy Belle Deason

November 28, 1999 - March 7, 2012

Lexy,

I picked up your name before you ever existed. Then, the day you were born, I held you in my hands and I knew then you were the one for me and your name was just perfect!

You enlighten my life whenever I was happy or sad. I will miss our shopping days, Doo Dah days, and most of the all, your beautiful puppy brown eyes telling me that you love me no matter what.

I am so glad you waited for me to let you go. Only God can heal my wounds and the empty space you left me. There will be no one like you.

I love you my little girl-tina.

Mommy

Lexy,

I will miss sharing my Coconut popsicles with you without mommy noticing or getting upset about it. Moreover, your gracious bark, thinking that everybody was coming to see you, and of course, cutting your apple snacks. You are the most precious and beautiful little girl in the world. Your warm body will not be there for me to relax anymore. CJ will miss you tremendously too.

Love you my Lilibell

Daddy

Lexy,

You are free from pain at last and finally reunited with the big man. And you will always be in my heart forever.

Love you Kristin.

Lexy,

I will always keep you in my heart and you'll always be my little princess!

I love you bunny! ; Lauren

*My sweet little girl, today is a week since you 've been gone. I said a prayer for you and read my devotional "Abundant peace belongs to those who love your instruction: nothing makes them stumble"~ Psalm 119:165.*

*Everyday that passes by, it is still a hard experience for me. I never know when it is going to hit me and I get all sad that you are not around. Miss you so much!!!. I continue working really hard writing on my journal, but not good enough. Only God and time can heal the empty space you left me little girl. Love you....*

*Lexy, yesterday was exactly a month since you departed from this world. How empty this space is. Cj continues missing you, and of course, I do too! Easter day is today, the resurrection of our Lord, which He brings us joy, love, peace, and most of all clean our sins, how wonderful and how marvelous Jesus is to me. That is how I feel about your love . Love you so much.*
