

Libby Black

August 11, 2022

No obituary found for this tribute.

Tribute Wall

DB

“ *She came to us at 6 weeks old and was a treasured Christmas gift for my wife. Lovable and always constantly wanting to lay on our laps. She now occupies a place of honor in our living room along side of our beloved Pekingese, Abby, who passed away in 2012. BOTH of these babies await us at the foot of the rainbow bridge where we will forever be re-united.*
