“*Lilith was a precious member of our family. She and her sister, Lolly, were inseparable. They played, ate and slept together for all these years. Our hearts are broken at losing our sweet Lilith and she is missed more than words can say. Thank you, dear Lilith, for your love, kisses and companionship. We are crying now but know you are free of pain and running the fields of heaven. And we are trying so hard to comfort Lolly and help her through missing you so much. Rest well our sweet until we see you again one day.*”
