“ How do I even begin to say how much I love you Lily. You were my sweet kitty for 18 years. When I got you loved Kali as much as I did and you became great kitty friends. I hope you seen her again and are laying on a big fluffy pillow together like yall loved to do. We had a great long life together and I will miss you so much for the rest of my life. I miss that long meow when I walked in the room for me to feed you. I love you my lil Lillers and I always will.

“ Lily you were of the sweetest kitty cats I've ever seen in my life. You had the biggest meow I've ever heard. You were a skiddish little thing and once your trust was earned, it had to be earned all over again the next day lol
Not one to be loved on, but towards the end, you couldn't get enough. I miss you so much and would give anything to hug you one more time. I love you Lil Lillers❤️ R.I.P
