“ *All dogs go to Heaven and we know Louis is there. She was so sweet and always so happy to you or everyone for that matter. Louise was adopted from The Greater Birmingham Humane Society. Louise left behind her parents Dennis and Lynn Chapman her best doggie buddy Mooshkin other doggie siblings Buddy and GiGi and other cats friends and neighbor doggie friends that would visit but she did not care for. We miss you LouLou run free now wit ease, no more pain or tumor on you leg.*
