Luci never knew a stranger, and he was the sweetest cat that I have ever known. He will be missed very much and he is very loved.

“ I remember when he first came our family! I called Kandice to check on what you guys were doing ... She said chasing down a kitty that almost got hit by a car on 79! You caught him, and he's been grandkitty ever since!!

“ Luci slept like a rock and would sometimes roll off of whatever he was sleeping on, kindof like an iguana falling out of a tree in cold weather. I'm really going to miss his silliness.

“ He was my sweet cuddle baby, always steamrolled you to sit on you, Even if you didn't want him to!
