“ *Lucky was the best dog anyone could have ever asked for. He was so energetic and ready to take on the world. It'll take a while for me to get used to coming home without being greeted by a happy face. I'm going to miss him coming on car rides with me and dad on the way to school. Now, he can run forever. There will always be a part of me missing for as long as I live, but now I can move on knowing he's safe now. No one can ever replace him and he'll never be forgotten for as long as the Keaton's live. He was the best dog we ever had. -Alyssa Keaton*

“ lucky keaton was a one of a kind dog. He was the smartest dog ever and had the biggest heart and had the biggest bark. He was the most energetic puppy a family could ask for and it is hard to know that he is gone now :(💔 It's hard letting a family member go that you grew up with from the age of 12 to 24 that's half my life. I wish we didn't have to see you go so soon lucky. But know lucky is now in gods hands at heavens gates waiting for us to let him know that it's ok for us to let him float on. He will be missed dearly by the family he truly was mans best friend and a well known family member everybody loved lucky ❤️ But I hope that lucky keaton is reading this post in doggy heaven knowing that he has a family who loves and misses him. Shine on forever lucky keaton 🐾🐾🙏🙏

“ There was no dog greater than lucky keaton. He was mans best friend and it's hard to let a family member go. Lucky lives on forever in our hearts. Tho he may be gone but he is never forgotten he will be missed by everybody dearly ;,(❤️. Lucky was an important part in our family's life he grew up with us from the age I was 12 to now where I stand at the age of 24. That is half my life and I couldn't ask for a better family member to grow up with. But now lucky is in gods hands and staring down at us in heaven watching us every step of the way. But in the end it's hard saying bye to a family member/friend hope you are ok in doggy heaven buddy we love and miss you lucky keaton. Shine on forever lucky keaton 🐾🙏🙏

“ *I was saddened to hear about the loss of Lucky. He was a beautiful dog and he had the best energy. He was happy and just wanted to make all of us happy too. He was much beloved to the Keaton family and I am sure they will miss him dearly. Lucky was a good friend to Max and they had great times together running around and playing in the yard. I know Lucky is in heaven, because all dogs go to heaven. Rest in peace buddy, we'll miss you. Love, Sylvia*

“ Lucky was our family dog for 11 wonderful years. When we first adopted him from the animal shelter, he was sick and they told us that he would be lucky if he lived, so we decided name him Lucky, and lucky he was to live 11 happy and peaceful years with our family. We were very lucky to have him ourselves.
