

Lucy Lamb

January 29, 2012

Lucy was our sweet, beautiful, bossy baby girl for almost 13 years. She was so loyal and such a good sister to Maggie. She brought us so much joy and entertainment, and she will be sorely missed. Thanks for all the prayers you have sent our way over the last 20 days since she was diagnosed. Lucy had a good day, despite everything, yesterday. She sat out on her deck for a long time and enjoyed the sunny, cool weather. This was one of her favorite times of the year.

Rest in peace, Lucy Lamb
