

Lulu Pochran

May 18, 2023

Lulu Belle Pochran passed away at home on Thursday, May 18, 2023. She was adopted on December 15, 2012 from the Greater Birmingham Humane Society as a seven-year-old rescue. She is preceded in death by her canine brother Bubba, and canine sister, Daisy.

Our bond grew over the years, and Lulu and I became inseparable. Vacations were planned based on pet policy, and Lulu traveled with me to various beaches along the Gulf Coast. On the rare occasions when I had to travel without her, Lulu always had the comfort of home, staying with my parents and their dog, Bea.

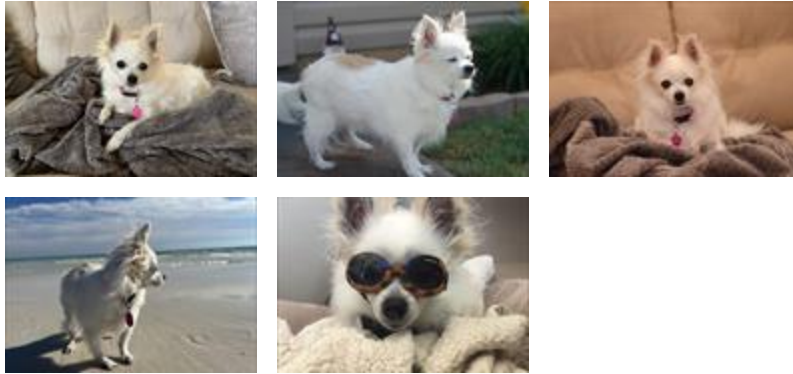

Sweet tempered and friendly, she had many dog friends, large and small. As her mobility declined, she rode in her dog stroller, always enjoying meeting other dogs and their owners on our walks. Lulu loved the outdoors and lived life to the fullest, sunning herself in the backyard, riding in the convertible, and her bicycle basket.

Lulu was loved by everyone she met and was a friend to all. She had the best care from her Veterinarian, and everyone at the clinic adored her. She will be missed by her family, friends, neighbors, and those who cared for her at the vet clinic. I am thankful to have had the ten and a half years I had with her, she brought so much joy and love into my life.
