“ *Lulu Baby you came home to mama after being gone from me for 11 days. My heart is still broken into a million pieces. I miss hugging kissing and talking to you. You'll always be my baby that never grew up and I'll love and miss you forever or as long as I live and when the day comes, I'll see you and Spank Spank again, plus all the other babies I've loved and lost. As bad as the heartbreak is I'd do it all over again if I had the chance. You made me a better person. You and Spanky taught me how to be a decent human being. Your in my heart and thoughts forever. Mama loves you so very very much. Tell Spanky mama loves and misses him too. I love you both. I will see you soon and we'll all be together, once and for all times. Bye Baby for now. Love you, Mom*

I also found a rare photo of you showing me you were mad or that you didn't like what was going on. I love you sweet girl. You were my bestest sweetest beautiful little girl. Mama is so proud of you.

*These babies were with me all together over 18 years. That was a big part of my life. I took care and loved them all those years. I gave all I could for them but what they gave to me will last me the rest of my life. They gave me more than I ever have them. I pray I go to wherever they are when my time comes and I pray they are together now. Two of the best parts of my life. I love them NOW, FOREVER AND ALWAYS and I can't tell you just how MUCH THEY ARE TRULY MISSED AND THOUGHT ABOUT EVERY DAY AND EVERY NIGHT. I LOVE YOU BOTH. SPANKY AND LULU. MY LOVES. MY LITTLE LAMB AND MY SUNSHINE!
MAMA SENDS HUGS AND KISSES TO YOU EVERY DAY.
I LOVE YOU. I*
