“ *I miss you so much Lunar. I miss your cuddles and your love. I miss watching you play with your dog friends and sitting proud out on the porch head held high. You left this world too soon .... You left me too soon. I love you and miss you*

“ *My dearest Lunar I miss you so so much. I miss watching lay next to me and purr your sweetness. You brought me so much joy in such a short amount of time. Your life was cut too short but know I love you and always will*
