“ My Maddie was the best girl. She would follow you around every where you'd go. You were never alone because she was always by your side. She loved people and animals and her tail was always wagging. She loved chasing rabbits and swimming in the pool in the summer.

You will be missed sweet Pootie girl. (Pootie was very nickname 😂)
Until we meet again. Have fun in Heaven with all of our family,
friends and pets.

Love you so much ❤️
