

## Maddy Kinney

October 19, 2024

Maddy was one of the sweetest and so smart. She enjoyed mickey mouse clubhouse "hot dog" song. She was actually watching it in this picture below of her in my lap. I picked Maddy up at 3am at just 3 weeks old because she was in a bad situation. I raised my girl with my 2 babies. Maddy's passing has put a empty spot in our house and hearts. We love & miss you Maddy. We hope you have endless car rides and pup cups in heaven.

“ *My baby, I miss you so much maddy. I keep thinking about our time together and how much you loved the kids and always loved playing football. You always tried to nose the ball around after it landed. We miss you!* ”
