“ This was My Sweet Baby Girl Mandy!!! A.K.A. The girl i never had. She was such an Amazing, sweet, loving baby you would ever meet. This is by far one of the hardest things my family has had to endure. Mandy was not just a Dog, she was our baby girl & nothing will ever be able to replace or come close to being like her. We got her at 8wks old in Oct 2004. We had her for 11yrs & with her mama (me) everyday. So its very difficult to have someone there everyday & then they are just gone. It has absolute been a life changing experience for us. She slept with me everynight, she welcomed me home everyday & anyone else that came to our home she welcomed. I am very Thankful for the time we had to love her, even if I would do anything to have more time to love her. My 14yr old son who is autistic just doesn't understand Why??? He was 3yrs old when we got her & was his 1st pet. I am very blessed to have so many amazing people around me & with me when this happened, My husband Daniel, My Son Devin, My Neighbors Pat Jones, Jennifer Hill, Billy Hill & Hallie Hill. Had so many calls & texts from family & friends. I honestly don't know what I would have done if I wouldn't have had all of them at this time. We are still heart broken & still daily affected by heartache. Some days its almost unbearable. Although I didn't meet the wonderful people at the pet crematorium, my husband & Neighbor that had used them with her precious baby girl took her & just by the way my husband & neighbor talked about them & the way he cared for my precious Baby Girl & the extras that he did to comfort my family at this time was absolutely amazing & I will & already have recommended them to others. He put her in a beautiful urn & also did her paw print in clay for us to have. They will never know & words could never express how greatful I am for them & the love they showed my baby girl & my family.
I LOVE YOU MY SWEET BABY ANGEL MANDY!!! R.I.P. MY PRECIOUS, I WILL SEE YOU AGAIN ONE DAY & I HOLD YOU NEAR ME & IN MY HEART UNTIL THEN.
