In Loving Memory of Marley
April 2013 – June 2025

Marley adopted us—her forever family—in April 2013 when she was just four weeks old. From the very beginning, she fit right in as if she had always been with us. Marley never passed up a chance to go swimming, ride in the boat, or bask in the sun. She lived every day to the fullest, bringing joy, laughter, and unconditional love into our lives.

She gave us everything she had—her loyalty, her protection, and more love than we could have ever hoped for.

As 2025 began, Marley started to slow down and show her age. By summer, we knew our time with her was coming to an end. In June, we said goodbye.

Many people go through life never knowing the love of a K9 best friend, and we consider ourselves incredibly lucky to have been loved, protected, and cared for by Marley. She will be deeply missed, but we take comfort in knowing she is now at peace and no longer in pain.

Run free, sweet girl. You'll always be in our hearts.
