

Maxx Dunn

December 27, 2025

To the world, you were a fierce protector and a loyal guardian, standing tall with a strength that commanded respect. But to us, you were our baby, the one who lived for head scratches, leaned in for cuddles, and looked at us with eyes that held nothing but pure, unwavering devotion. You guarded our doors, but you owned our hearts. The house feels far too quiet without the sound of your paws and the comfort of your shadow. We miss you more than words can say, and we are so grateful for every moment we spent in the safety of your love.

“ *Missing you extra bad on these cold nights bubba. I wish you were laying on my feet keeping me warm. I miss you doing the upside downward dog on me on the couch and your sweet little head, your eyes following me around and that soft nose. I wish you were here. Deddy misses you so bad and it's just not the same without you. Every time he comes inside the house and you're not waiting for him, it breaks his heart. You were the light in a dark tunnel for him and he misses you more than words can say. I can't wait to hold you again buddy. I love you so much!* ”
