“ *My sweet perfect pup Meshach, We still grieve you daily and miss you beyond words. things are not quite right here without you. Your little brother ,Elijah has started roughing his bed up like you liked to do before settling down. He never ever did this when you were here. He and Vallie Rose are still somewhat confused and sad when they do not see you in the mornings. Your daddy Mike, has nor taken his usual walks that he always took you and the others on. You would lead the way and the others just frolicked around you. I miss You so much my sweet "grey ghost"! my heart aches. I love you sweet boy!*
