“ *Midnight Fitch lived a long and happy life. He suddenly left our lives on September 28, 2020.*

*He came into the Fitch family at 2 years old when he was adopted from the Shelby County Humane Society. He was the “special cat” at the shelter, meaning he was one of the staff’s favorites and was allowed to free roam the desk area. We loved him instantly and brought him home.*

*His favorite things were to lay in the sun, lay in any flower pot or dirt, and take long naps with us.*

*Midnight loved everyone. He was never skiddish and would come up and rub on anyone he met. He loved to get up on your chest and put his head to yours, then rub his scent all over your face. He loved every one of our family members so strongly.*

*He also loved our dogs. When Midnight was adopted he met our large German Shepard- Husky mix (Simon) with love. Him and Simon would lay on the back deck and bask in the sun together. A few times we caught Midnight kneading his claws into Simon’s fur while on top of him.*

*I don’t think I can talk about Midnight’s life without mentioning how dirty he was all the time. He would walk into a room covered in cobwebs at least once a week and we would never know where he came from! In his later years he decided he was done with bathing. We took him to the vet concerned for his health and they told us he was just choosing to be dirty. He loved to roll around in the dirt and lay in old flower pots!*

*Midnight is preceded in death by his brother Simon and his Aunt Libby. He is survived by his family, Meredith, Richard, Kristen, and Wes. He is also survived by grandfather, Riddy.*

*We love you Middy!!!!*

*The family wants to say a special thank you to the Shelby County Humane Society and Family Pet Cremation and Burial Services for taking care of our precious boy.*
