“ *millie was my baby girl, she was with me from the end of kindergarten to the beginning of me moving away for my freshman year of college. i wish i could have said my proper goodbyes, but i know she's in a happier place now. millie truly was my best friend and i loved her so very much. she was always there when i needed comfort or just to put a smile on my face, she was very playful and always knew how to cheer anyone up with kisses. she was and always will be the best friend i could have ever asked for. i love you girl, so so so much.* ”

“ *Millie was a wonderful rescue. She loved to run, chase squirrels and anything that dared appear in her yard. She was funny, sometimes goofy and always loving. You will be missed tremendously.*
