“ Except when it is treat time, Misty is the most patient kitty I have ever known! The porcelain kitty will surely be missed!

“ So sorry Ginger. I remember Misty and she was so sweet. It is so hard to give up our little friends. I have a kitty and really love her too. God Bless you and love you.

“ Misty was the sweetest kitty she gave me so much love and happiness for 17 years. We always called her our little porcelain kitty because of the way she held her feet. She was so precious and I am going to miss her beyond words. I love you ❤️ Misty!
