“ Love you forever, sweetest friend. I think of you often playing in the yard when you were young and sometimes wonder if you would have ever befriended our new cat, Betty. I volunteer with cats now, because of you, and I think of you so often throughout the day. 🐱

“ Thinking about you, Mitzi Mitzi. The last of your blankets and your mat have been washed now. I found little bits of your fur in them and remember how wonderful it was to pet you-- you were so silky soft. ❤️

“ Mimi, after a tiring day, it was always nice to come home and find you waiting for us at the door, curled up on the couch, or elegantly stepping into the kitchen to see if we had brought home anything fun to play with or good to eat. How we miss you now, precious little Mitzi. ❤️

“ We love you, darling Mitzi, and will remember the deep friendship we shared and your gentle grace forever. You comforted us through the hard times and made the good times better. Sitting on the porch with you, watching movies together, taking walks in the sunshine, quiet pets, just being in the same room...all those moments were treasures. We miss you and the light in your beautiful eyes that brought us so much joy from your days as a playful 18 month old baby to your last days as a wise, dignified 16 year-old lady...
